

NEW RULES, AMENDMENTS TO RULES AND READOPTION OF RULES
CONCERNING WASTE TIRE MANAGEMENT AT 329 IAC 15
LSA Document #05-168

Analysis of Economic Impact

Provision	Potential Economic Impact
SECTION 1: Clarifies applicability and makes the section consistent with IC 13-20-13-1.	None.
SECTIONS 2-6: Add definitions to make the rule easier to use.	None. All new definitions are statutory definitions.
SECTION 7: Clarifies waste tire storage site registration requirements to be more specific.	None.
SECTION 8: Allows a waste tire processor under contract to IDEM to clean up a waste tire site to be considered registered for purposes of the rule. IDEM contracts are more stringent than the waste tire rule.	May result in some limited cost saving; saves a waste tire processor contracted to IDEM the cost of preparing a registration application and paying the \$200 facility registration fee.
SECTION 9: Clarifies waste tire processing operation registration requirements to be more specific.	None.
SECTION 10: Adds provisions for mobile waste tire processors that were omitted in the original rule. Allows a mobile processor to operate at more than one location without re-registering.	May result in some limited cost saving; saves a mobile waste tire processor the cost of preparing a registration application for and paying the \$200 facility registration fee for each new location.
SECTION 11: Adds a requirement for a waste tire processor that accumulates 1,000 or more waste tires to register as a waste tire storage site.	No additional cost. Reiterates the statutory requirement in IC 13-20-13-2.
SECTION 12: Streamlines waste tire management requirements; reduces some requirement, clarifies others and reiterates statutory requirements..	None.
SECTION 13: Removes the annual tire summary form from the rule.	None.
SECTION 14: Updates the waste tire manifest form to meet SBA standards and make it easier to use.	None.
SECTION 15: Clarifies the requirement for the waste tire transporter's annual report, including where to get the forms; allows reporting in various units.	None.
SECTION 16: Clarifies the purpose of financial assurance for waste tire storage sites.	None.
SECTION 17: Clarifies the basis of the closure cost estimate.	None.
SECTION 18: Emphasizes the existing requirement to annually revise the closure cost estimate by moving it to a new section.	None.
SECTION 19. Repeals a number of unused definitions.	None.
SECTION 20. Readopts all sections that were not amended in the rule under IC 13-14-9.5.	None.
